Family Adventure!

## Rise of the Next Generation

From desert to rock crawling family powersports to extreme racing, American Offroad has something for everyone. Introducing the new XRail XTV Series.

Meet the **X2 Rebel**. With a 724cc V-Twin Kohler engine has enough guts to get you where you and a buddy where you want to go, and is designed for family use, with easy step in sides, supportive seats, and of course, 5 point harnesses for safety.

**It's More Fun to Bring a Friend!**

**Insane Power!**

## Eye Blurring Speed and Power

If you're looking for a little bit more bite in your ride, the **X2 Wildcat** is the answer. Sure to leave you with a grin from ear to ear, the Wildcat is powered by a high output 750cc fuel injected, liquid cooled, 4-valve, 4-stroke engine that pushes an insane 80 horses!

Safety features include high back suspension seats with 5 point harness, the ride is tempered with Fox Air Shocks, and the broad wheel stance keeps you in the vertical position!

**Hang on, it's gonna be a wild ride!**
